CLASSIC LABELS PACKAGING GROUP

Quality & Regulatory Letter of Guarantee

Date: 6/9/2026

To Whom It May Concern,

Classic Labels Packaging Group ("CLPG"), located at 8 Bronxville Glen Drive, Bronxville, NY 10708, hereby guarantees that all products and services supplied by CLPG are managed, sourced, manufactured, and distributed in accordance with applicable customer specifications, regulatory requirements, and industry standards.

CLPG provides pressure-sensitive labels, shrink sleeves, RFID labels, folding cartons, package inserts, kitting services, warehousing, and related packaging solutions supporting the pharmaceutical, healthcare, beauty, personal care, and food industries.

CLPG maintains a robust supplier qualification and management process designed to ensure that all manufacturing partners are capable of consistently producing products that meet approved specifications and applicable regulatory requirements.

CLPG further guarantees that:

- Products supplied conform to mutually approved specifications and artwork.
- Manufacturing partners operate in compliance with applicable regulatory and quality requirements, including current Good Manufacturing Practices (cGMP) where applicable.
- Materials are traceable through documented production and supply chain records.
- Changes affecting product quality, specifications, manufacturing location, raw materials, or processes will be communicated in accordance with customer agreements and applicable quality procedures.
- Suppliers are evaluated and monitored through CLPG's supplier qualification program.
- Quality concerns are investigated, documented, and resolved through corrective action processes.

CLPG is committed to continuous improvement and maintaining the highest standards of quality, compliance, and customer satisfaction.

This Letter of Guarantee shall remain in effect until superseded or revoked in writing.

Sincerely,

Steven J Ayala
