CLASSIC LABELS PACKAGING GROUP

Supplier Qualification & Business Assurance Letter of Guarantee

Date: 6/11/2026

To Whom It May Concern,

Classic Labels Packaging Group ("CLPG") hereby provides this Letter of Guarantee in support of customer supplier qualification, business assurance, and risk management requirements.

CLPG is a certified minority-owned business and strategic supply chain partner providing labels, folding cartons, inserts, RFID solutions, kitting services, warehousing, and packaging management services throughout North America and internationally.

CLPG's operating model is built upon qualified manufacturing partners, dedicated project management, account management, supply chain expertise, and rigorous supplier oversight.

CLPG guarantees that:

- All suppliers undergo qualification and approval processes before engagement.
- Supplier performance is routinely monitored for quality, delivery, service, compliance, and sustainability performance.
- Multiple manufacturing locations are available throughout North America to support continuity of supply and risk mitigation.
- Business continuity planning and supply chain contingency strategies are maintained to support uninterrupted customer supply.
- Customer specifications, quality requirements, and regulatory expectations are communicated and managed throughout the supply chain.
- Confidential information, intellectual property, and customer data are protected through established business practices and confidentiality controls.
- CLPG maintains relationships with industry-leading manufacturing partners possessing the technical expertise and certifications required to support customer requirements.

Additionally, CLPG's Supplier Diversity Program promotes economic opportunity by engaging minority-owned, women-owned, veteran-owned, service-disabled veteran-owned, disability-owned, and LGBTQ+-owned business enterprises whenever possible.

CLPG remains committed to operational excellence, responsible sourcing, sustainability, and continuous improvement in support of customer success.
